(×1) ILTUO Vertical Post, 2 Glazing Channels, 96" 0-15-2181

Required Tools

Drill
Drill Bits
Hammer Drill
Installation

1 Drill Pilot Holes (×8)

a Base plate templates (3-15-2160) will be provided. The base plate template has hole locations for drilling. Spacers will also be provided, unique to this configuration; cut to size based off post dimensions in the quoting phase.

ILTUO Installation Template - Base Plate
3-15-2160

ILTUO Installation Template - Template Spacer
3-15-2347

b Following the ILTUO Installation Template, drill pilot holes. Use appropriate pilot hole diameter and depth for the type of substrate you are fastening to.

*3form stocks the drill bits required for the concrete and wood pilot holes. If you wish to purchase a drill bit, please contact your 3form sales representative.
