**Installation**

1. **Drill Pilot Holes (×48)**

   a. Two standard template parts will be provided; a base plate template (3-15-2160) and a corner template (3-15-2340). The base plate template has hole locations for drilling. Spacers will also be provided, unique to this configuration; cut to size based off post dimensions in the quoting phase.

   Layout the whole floor plan using the template.
