Installation

1 Prepare to Install

a 600.06 come fully assembled and ready to mount inside your reception desk or feature.

b Remove 3form decorative panel by unscrewing and removing the bottom angle bracket. This will allow the panel to slide out toward the bottom.
Installation

2 Mount to Desk

Mount the 3form reflective box to the desk through the back reflective panel with screws or bolts.
3 **Connect Electrical**

Have a qualified electrician wire up the low voltage wires to the LED drivers and test lighting.

**a** **Wiring Diagram for Small 600.06**

**Note:** Wiring is as shown unless shown differently on 3form Lighting Layout Drawing
Installation

3 Connect Electrical cont...
