Installation

1. Attach Casters to Mounting Plate (×2)

2. Attach Mounting Plate to Mobile Divy
Product Description and Specifications

Features and Benefits

- 15 color options
- 6 base patterns
- Noise Reduction Coefficient (NRC) up to 0.75
- Cost-effective decorative feature
- Easy to specify
- Easy to install

Available Patterns

Accord
Margin
Net
Plane
Quint
Vim

Cleaning Instructions

Divy Panels should be cleaned periodically. A regular, seasonal cleaning program will dramatically help prevent noticeable weathering and dirt build-up.

To remove airborne debris and dust, it is recommended to periodically vacuum Divy Panels. Please note the slight shedding of fibers from the Felt is normal and not indicative of any defect.

To treat liquid stains, remove spills immediately using a clean damp cotton cloth or with detergent soap and warm water. Carpet and fabric cleaners can usually be used; always test an inconspicuous area before the actual stain.

Do:
- Vacuum or use a soft brush to clean Divy Panels.

Do not:
- Use strong solvents, highly alkaline or abrasive cleaning agents.
- Do not completely saturate module with cleaning solution or water.

Available Finishes

Divy Panels can be specified in any of 3form’s 15 Sola Felt options.

Admiral
Aries
Armor
Cast
Citrine
Driftwood
Dune
Dusk
Ebony
Emerald
Jasper
Mineral
